she ordered him to draw near—"I

"will do you no harm," said she,

"I shall be your friend? my name

"is *Fortitude*, I am the daughter

"of *Resignation*.—This lion is my

"emblem. Keep company with

"me, and I will bear you out

"through all dangers, and put

"you at last into the right road;

"but you must pass yonder stream

"before you can again get sight of

"the Temple of *Virtue*." She

then led him by the hand, till he

came to a deep black river, into

which he plunged, and the waves
going over his head, seemed as if he
would be lost for some time.
